### Country Representative of Sierra Leone- KIIT International Student Society

- As Country Representative, I was the direct link between the International Student Society, the KIIT Student Activity Centre and the international students from Sierra Leone.
- This role required effective communication, cultural sensitivity and a strong sense of responsibility. I acted as an advocate for Sierra Leonean students, ensuring that their voices are heard and their concerns are addressed. These include matters related to academic education, cultural integration and general well-being.
